104 Prospect Ct
Prospect Heights, IL, 60070

General Comment

The trading of options on stocks held in my 401K accounts have been critical for my ability to grow my capital and protect myself from market risk. There is already restrictions on what kind of options I may trade. There should be NO FURTHER restrictions. They are unnecessary. Options are no more risky than buying and selling stocks given the current restrictions in place. DO NOT make any changes to IRA options trading rules please. My retirement account thanks you in advance.
